This project list reflects the anticipated ADOT design projects, on call projects, and full service contracts for FY 14, based on the projects identified in the 2014 -2018 Five-Year Transporation Facilities Construction Program (as of July 1, 2013). The anticipated project distribution and advertisement schedules are subject to change depending upon the resources of the needs of the Agency and in no way should be considered final or taken as a guarantee of work.														
Number of ADOT Assignments - 35, programmed at \$13,317														
Number of On Call Assignments- 18, programmed at \$8,259														
Number of Full Service Assignments- 7, programmed at \$13,675														
Dollars are shown in thousands
